

Design Thinking Crash Course: Change The Way You Think

Join the Design Thinking Workshop by Genovasi and be introduced to the Design Thinking concept, a human-centred approach to innovation. During the Design Thinking workshop, each participant will be taken through a full design cycle in a fast paced project of which no previous design experience is required. Participants will learn the basic principles of Design Thinking and how to adapt them into their daily routine.

Let's Meet The Coaches

Mahadzir Shariff

Mahadzir is a Programme Director at Genovasi. He has over 18 years of experience in management consulting, strategy and business planning, transformation management, business process improvement and internal audit.

Mike Cannon

Mike is a Programme Manager at Genovasi. He has over 20 years of experience in youth and family education, creating camps, producing seminars, providing professional development workshop and establishing community centres and activities for expatriate communities.
